If you have decided to pursue your Construction Manager Certification and have looked at the
application process and found it extensive or complicated, this Workshop is for you. This is your
opportunity to meet Certified Construction Managers who have been there and done that. They
are members of CMAA San Diego Chapter CCM Committee, have mentored CCM candidates and
provided assistance to many current CCMs.

The first two hours of this workshop will include overview and discussion of the application,
requirements, the entire certification process, questions and answers. The last hour will be
dedicated to a one-on-one questions and answers for anyone who has specific questions about
qualifications, education requirement, experience, etc. If you have drafted your application and
need guidance to complete areas that you haven't progressed, this workshop is for you as well.
