Thursday, August 19th, 9:00am – Noon

Please arrive 10-15 minutes early for networking.

Workshop Description:

Because of ever-increasing competition in the competitive bidding process, gaining a competitive advantage is essential. When short listed, the interview (oral proposal) is the last opportunity for your team to rise above the competition.

During this workshop, participants will have to opportunity to discover how to gain a competitive advantage by effectively utilizing the 5 most often overlooked, vital aspects of competitive speaking:

- 1. Delivering a high-impact introduction**
- 2. Theme development**
- 3. Connecting with the audience**
- 4. Proper use of visual aids**
- 5. Answering behavioral questions during Q & A**

This workshop utilizes a highly effective adult learning environment characterized by respect, interaction, and lots of fun. As a consequence, participants will be able to immediately transfer these new skills to upcoming interviews and presentation situations.
