

### ECONOMIC IMPACT

#### Over \$1B in Contracts

We have assisted clients in winning over \$1 Billion in contract awards.

#### 6,866 Jobs

These contract awards equate to creating or retaining 6,866 jobs.

Estimates \$150,000 needed per job.

San Diego Contracting Opportunities Center (SDCOC), a program of Southwestern College and a Procurement Technical Assistance Center (PTAC), assists small businesses with information, resources, and technical assistance they need to effectively compete for and perform on federal, state, & local government contracts and subcontracts.

### One-on-One Business Advising

Access FREE assistance on marketing strategies, bidding opportunities, business intelligence, registrations, certifications, procurement policies, proposal writing, GSA schedules, and contract management.

### Training & Networking Events

Attend training and networking events to learn more about government contracting, meet potential teaming partners, and network with prime contractors and agency representatives. View our training schedule at: [www.ptac-sandiego.org/training](http://www.ptac-sandiego.org/training).

### Contract Opportunities

Access bidding opportunities from over 2,000 federal, state, and local government agencies through our automated bid matching service.

### Sponsors

SDCOC is sponsored by federal, state, local government agencies and large prime contractors. Learn more at:

[www.ptac-sandiego.org/sponsors](http://www.ptac-sandiego.org/sponsors)
