ECONOMIC IMPACT

\$ Over \$1.3B in Contracts

We have assisted clients in winning over \$1.3 Billion in contract awards.

8,666 Jobs

These contract awards equate to creating or retaining 8,666 jobs.

San Diego Contracting Opportunities Center (SDCOC), a program of Southwestern College and a Procurement Technical Assistance Center (PTAC), provides FREE technical assistance to help small businesses sell their products and services to government agencies.

One-on-One Business Advising

Access FREE assistance on marketing strategies, bidding opportunities, business intelligence, registrations, certifications, procurement policies, proposal writing, GSA schedules, and contract management.

Training & Networking Events

Attend FREE training, and networking events, meet potential teaming partners, and network with agencies and primes. View our training schedule at: www.ptac-sandiego.org/training

Contract Opportunities

Access bidding opportunities from over 2,000 federal, state, and local government agencies through our automated bid matching service.

Sponsors

SDCOC is sponsored by government agencies and large prime contractors. Learn more at: www.ptac-sandiego.org/sponsors
